<sup>1</sup> Statistics reflect all graduates of Pennsylvania locations as well as graduates of other DeVry locations nationwide who were assigned to the Ft. Washington campus for career services support. All programs culminate in a bachelor's degree except Electronics & Computer Technology, Health Information Technology, Network Systems Administration, and Web Graphic Design, which culminate in an associate degree.

<sup>2</sup> Includes base salary and any additional taxable compensation.

<sup>3</sup> Excludes graduates continuing their education, foreign graduates legally ineligible to work in the United States and those ineligible for career assistance because of extreme circumstances. Contact the Career Services Department for details.

<sup>4</sup> Excludes graduates who actively pursued employment for less than 180 days and did not become employed.

NOTES: Completion statistics are available upon request. Program availability varies by location. Statistics for graduates of the Web Graphic Design degree program will be available approximately six months after the first class graduates. Information presented is based on graduate-provided data.

## DeVry Career Services

Career Services professionals across the DeVry system work diligently to help graduates attain positions in their career fields. Although DeVry cannot guarantee employment, the staff is committed to assisting students, graduates and alumni in identifying employment opportunities and following through with effective strategies for obtaining their desired career positions.

## Effective Support Services

DeVry's Career Services Department is geared toward the needs of our students and their prospective employers. We support our students' career efforts with the following:

### Employer Database

DeVry's Career Services Department maintains an employer database that contains information on national and local companies.

### National Advertising

An aggressive advertising campaign acquaints employers across the country with the broad spectrum of DeVry graduates' skills and knowledge.

### Employment Seminars

An ongoing series of seminars allows employers to meet with DeVry officials and the Career Services Director to discuss human resources requirements.

### Career Fairs

Career fairs held periodically at the campus enable students to meet and talk with major recruiters of DeVry graduates.

These and other services help support one of the strongest career services efforts in education.
